

SHAMROCK 3rd TERM VACATION CARE PROGRAM

2nd-13th October 2017

Child / Children's Name:

Week One

This week we have so many different and exciting activities! Get active with the Inflatable Balls, practicing your balance and coordination and explore all the different recyclable materials, using your imagination to design and make whatever you set your mind to! Tie-dye a t-shirt for yourself or a Christmas stocking for a special person and get those senses going with tie-dye slime! Oktoberfest gives you the opportunity to explore many German foods made with Chef Amy, games, dances and activities. Later in the week you can put your mind to your best colouring in and see how creative you can be when Ben Miller visits to share with you how to do street art. Finish off the week wearing your clothes backwards or inside out, going about your day backwards and playing backwards games! Afternoon tea will be morning tea and you can eat breakfast for lunch if you wish. Everyday there is a different game on offer where you can practice your skills by learning the rules and playing the games outside with your Educator. Wonder who will master the skills better!

Week Two

Week two is off to an adventurous start with an excursion to Bells Parade where you can explore the new playground and indulge in some hot chips for lunch! Tuesday is also full of deliciousness with cupcake making and decorating judged by the Mini Minors. Wednesday offers a relaxing day off watching movies and making pizza, allowing you to wind down before a big day of teamwork and construction on Thursday! Be sure to get your thinking hats on and your busy hands ready for judgement by the Mini Minors again on your recyclable cities! The week then finishes off with a bang – have a go at the Mini Jeeps outside! Practice your driving skills and do the obstacle courses, making sure to follow the road signs made from recyclable materials also! Once the jeeps are finished you are invited to bring your own bike or scooter along and strengthen those newly learnt road rules. Who will receive 100% on their drivers test!

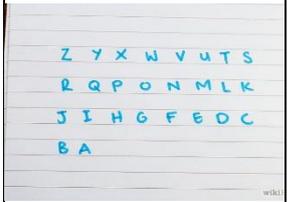

- ❖ Incursion or excursion charge of \$10 will be included when extra educators are required or extra costs are incurred for an experience. (CCB and CCR will be applied.)

* Please Sign on the days you require care.

Return completed form to the St. Patrick's Child Care Office, email on stpatccc@catholic.tas.edu.au or Phone: 6426 3048

* We look forward to seeing you in the school holidays! ☺
